We would be pleased to know a little more about you. Where do you live, where are you from?

I live in Lakefield, Ontario, Canada.

You are a painter, how do you work? What kind of size are your paintings?

I use the acrylic paint in washes on canvas. I will try to put the sizes in.

How do you get inspired? What are your favorite topics?

Most of my ideas come from automatic drawing, I just doodle and the images appear. My favorite topics are what is happening around me and how I feel about it.

Do you work every day? Do you have an other pro-

professionnel involvement?

I usually paint 7 days a

week, I try it anyways. I am an outsider artist, I work in isolation, I am self taught.

Why are you in flickr? Where do you exhibit?

Right now the only places I exhibit are on flickr and my own site, I found flickr last year, and joined up. In 12 months I had 30,000 visits to my site. My wife reminds me that is 30,000 people that saw my work and decided that they didn't want to buy it. I am still happy just to get noticed. I would appreciate hearing about any other sites as good as flickr for exposure. I have information below my exhibit that should be of interest.
